Dear Mrs Eschbaecher,

**South Hams District Council (Parish of Newton & Noss) (No. 27) Tree Preservation Order
2004**
Land adjacent to Newton Creek, Pillory Hill, Noss Mayo
Confirmed as Served

PUMPING STATION.

Please note that the above Order was confirmed without modification

The reasons for confirming the Order are:-

- The Order is being confirmed as served because no reasons have been brought forward to justify modifying the Order during the consultation period.
- The trees are prominent in the landscape and therefore are important to the character and quality of the landscape amenities enjoyed by the public.
- The Council considers it expedient in the interests of maintaining this amenity that the trees should be protected by means of a Tree Preservation Order.

Please contact me if you have any queries about the Order.

Yours sincerely

Miss Polly Stone
